Dear Parents,

Re: Extended trial for after school judo

Dear Parents,

Re: After School Judo Mondays 3:15 -4:15

As some of you may know we started our after school judo at the school on Monday. It was a small group but they really seemed to enjoy it!

With the tasters last term a distant memory I offered this first session on a trial basis and have decided to build the group by continuing the trial until half term.

This offers your child half a term of judo at no cost (not an offer I have made anywhere else)!

Some of you are already aware of this and have already emailed me to confirm your child's place.

I am keeping the upper limit at 20 and will offer these places on a first come first served basis. If you would like to register your child please email me with their name, year group and please advise me if they have any medical conditions or allergies that I need to be aware of.

Thanks a lot,

Best wishes,

Mark Fricker
