Our Aims

At Frogmore Infant School staff, parents/carers and governors work together, striving for excellence in all we do. We are proud of our school and our pupils.

We aim that everyone:

- Feels good about themselves
- Experiences success
- Knows how to learn
- Wants to learn
- Works well with others
- Thinks of their own ideas.

We strongly believe that education is a shared partnership between the home and the school. Our Home/School Agreement is the first step towards this.

In support of these aims the school will endeavor to:

- Provide a happy, safe environment for your child
- Deliver a broad and balanced curriculum
- Ensure that there is a planned programme of work suitable to the needs of your child
- Create an atmosphere where the highest standards of work are achieved
- Encourage your child to take responsibility for their own actions and feel proud of their achievements
- Monitor your child and keep you regularly informed of their progress and individual targets set
- Be open and welcoming, offering opportunities for parents/carers to become involved in the daily life of the school
- Offer parents/carers the opportunity to understand the teaching methods used in the school and the aims for the year
- Respond promptly and sensitively to your concerns through our complaints procedure
