

Year R

Spring 2

Key books this term:

This half term our focus dinosaur is 'Solve-a-saurus'. We will be learning to have a go at problem solving and persisting at new challenges.

Coming up this half term:

5th March

Frogmore's World Book Day

Please can children come dressed as their favourite book character. We will be exploring stories and finding out about each other's favourite books.

13th March

Mum's afternoon

Mums are invited into school from 1.30-3.00 on this date.

Home Learning Challenge

You will receive a sunflower seed to look after at home. Please complete a simple diary entry on one day each week, to track how your seed is growing. Remember to measure your seed. You can draw or take photos of your plant. Send in the measurements for your plant on **23rd March** when we will compare the height of our plants to see whose sunflower has grown the most. Talk to your child about how to keep a plant healthy.

E- Safety

We will be looking at how to keep safe online. We will be reading Troll Stinks to remind us to be kind to others all the time and the power of words online.

We will be talking about what to do when we get that uh-oh feeling and to always ask a grown-up for help.

We will be learning the poem "A Little Seed".

A Little Seed

A little seed for me to sow,
A little soil to make it grow.
A little hole, a little pat,
A little wish and that is that.
A little sun, a little shower,
A little while, And then a flower.

Coming soon

We have very exciting visitors coming into school from the 16th March!

Your child will be bringing home some handwriting letter shapes to practise this half term.

This half term we will be enjoying making the following in cooking club on Tuesdays:
Gingerbread
Flapjacks
Fruit salad
Bread

All our recipes are vegan.

Key vocabulary:

Celebration: A special event.

Seed: Something produced by a plant from which a new plant can grow.

Pancake: A thin flat batter cake that is usually flipped in a pan.

Life cycle: The process of growing and changing.

Recipe: Instructions for cooking.

Easter: a celebration of new life.

Solve-a-saurus: dinosaur encouraging us to solve problems and keep trying at something new.

Problem solving: thinking of ways to overcome a challenge.

Challenge: something tricky that we want to achieve.

Religious Education

This half term we will be learning about Easter. We will be talking about how and why Christians celebrate Easter and reading the Easter story.
