#### My Happy Mind

Engage module

Using what we have learnt to feel good and to do good.

### RE

- Water rituals
- How Christians use water in baptisms
- The importance of the River Ganges to Hindus.

# How to help at home

- *Go for a walk to Yateley Common and other local woodlands/ponds and see what you notice - animal tracks, animals, plants or even listen to the bird song.*
- *Find out about animals and their offspring - what are their babies called?*  
<https://a-z-animals.com/blog/52-baby-animal-names-the-big-list/>
- *Have a look at different clocks around the house - are they analogue or digital? Can you work out what the time is?*
- *Follow this QR code to learn this song about plants*
