

# Home Learning

## At the end of our topic:

Share your knowledge of the Titanic through:

- Observational drawing - sketching or painting
- Creating a model using lego, junk, clay (or anything you can think of!)
- Creating a fact file by writing all the key information you can recall
- Recreating a room in the Titanic

Be as creative as you like! It's up to you!

Please bring your Titanic home learning into school between
